April 2017

Hello lovely clients!

I hope you're well and thriving.

How did it get to be April? And we've had two whole weekends of lovely weather. I think the universe is conspiring to bring us (whisper it) \*spring\*. And as I continue to develop my photography, I've been falling more deeply in love with light. The changing of the clocks and the increased light at the end of the day never ceases to amaze me. The trees are budding, the flowers are blooming and the world is coming to life again after a long hibernation. Hurrah!
