

# Portobello Massage Newsletter

June 2015

Dear lovely Clients

Hello and welcome to the **June 2015** edition of the Portobello Massage Newsletter!

As I write this newsletter, I'm wearing a woollen jumper that I had hoped not to wear again until October! We've not had a lot of warm weather yet but the nights have been producing some wonderful sunsets and today the sun has shone brightly all day. I try to find the positive in every day and sometimes that's a challenge but I'm certain things will get better!

## Positive thoughts

"You don't always need a plan. Sometimes you just need to breathe, trust, let go and see what happens." - Mandy Hale

"She stood in the storm and when the wind did not blow her way, she adjusted her sails." - Elizabeth Edwards.

"If 'Plan A' didn't work, the alphabet has 25 more letters! Stay Cool."

"Don't let anyone ever dull your sparkle."

"Normality is a paved road. It's comfortable to walk, but no flowers grow on it." - Vincent Van Gogh

"Just keep moving forward and don't give a sh\*t about what anybody thinks. Do what you have to do, for you." - Johnny Depp

## The groan worthy jokes...

Prepare yourself for this one...

A new employee is hired at the Tickle Me Elmo factory. The personnel manager explains her duties, and tells her to report to work promptly at 8:00am. The next day at 8:45am, there's a knock at the personnel manager's door. The assembly line foreman comes in and starts ranting about this new employee. He says she's incredibly slow, and the whole line is backing up. The foreman takes the personnel manager down to the factory floor to show him the problem.

Sure enough, Elmos are backed up all over the place. At the end of the line is the new employee. She has a roll of the material used for the Elmos and a big bag of marbles. They both watch as she cuts a little piece of fabric, wraps it around two marbles, and starts sewing the little package between Elmo's legs.

The personnel manager starts laughing hysterically. After several minutes, he pulls himself together, walks over to the woman, and says, "I'm sorry, I guess you misunderstood me yesterday. Your job is to give Elmo two test tickles."
